A NOTE FROM THE PRESIDENT

Hello and welcome to our June bulletin for 2023.

A very lively group of new members attended our New Growers meeting for June with lots of questions raised. Thank you for your participation and we hope to see you all at the July meeting with your flowering plants.

Our AGM was held on Tuesday 27th June, and as nominations for the Committee were unopposed we welcomed back most of the previous committee with a couple of new faces added, and the return of our Joint Patrons Ali King MP and Cr Brooke Savige. My thanks to our many hard working members and I look forward to a successful 2023—2024. A copy of my President's Report along with the reports of the Secretary and Treasurer will be circulated separately.

Ali and Brooke did the honours presenting the Points Awards winners for 2022-2023 with their prizes. Well done and congratulations to all .

Please come along to the new Bunnings at Caboolture on Sunday 16th July to support the Society with our fund raising sausage sizzle. Details further on in this bulletin.

Liz is working on organizing a bus trip in September to an Orchid Show and a visit elsewhere on the way home. Our bus trips are always popular and fun.

There will be a number of orchid shows held over the coming months and I would encourage members to attend and show our support for likeminded societies. Caboolture Orchid Society Winter Show at the Morayfield East State School, Graham Road, Morayfield on Friday and Saturday 30th June and 1st July is a perfect example.

Happy growing!

Diann Sirett, President B I O S

Members may now bring a plate of food to share for afternoon tea at Meetings however please note all food will be served, along with tea and coffee, by appointed Society members.

SIGNING IN AT MEETINGS

Now that Covid-19 restrictions have been lifted, QR scanning is no longer required, however Members must still sign the Attendance Book which is on display at the front of the hall for attendance/Insurance purposes.

President Diann Sirett and Bulletin Editor Sandy Jensen were recent guests along with other garden and orchid clubs when the Pumicestone Garden Club celebrated their 30th Anniversary with a Friendship Day at the Community Hall at Toorbul. Nearly 100 members and guests enjoyed a sumptuous roast dinner, heard Noel Stannard the bush poet, enjoyed the company and partook in the draw off the many raffle prizes on offer.

Thank you for the invitation and we wish the Club many more years to come.

Check out the wide range of **pots & vanda baskets, fungicides, ties, cutters, bark and perlite etc** available at both the New Growers and Cultural Meetings at The Orchid House. **For more information contact Paul on 0475 851 603.**

PLEASE NOTE : EFTPOS will now be available for purchases at both meetings on a trial basis.

SAVE THE DATE—SUNDAY 16TH JULY!!

Members—You are invited to come along to the new Bunnings Store at The Big Fish Junction, 459 Pumicestone Road, Caboolture & buy a sanger and drink to support the Bribie Island Orchid Society fund-raising sausage sizzle 7.30am—2.30pm.

Some of you may have noticed slight changes in the wording of 2 of the **Cattleya Classes at the last Cultural Meeting. Please note the following changes** in line with STOCQ judging panel requirements.

What used to be classed as Cattleya—Novelty or Compact is now classed as **Exhibition 75—110mm**.

Cattleyas under 75mm are no longer classed as Exhibition therefore they are now benched under **Cattleya Non Exhibition**.

JUNE 2023 NEW GROWERS MEETING

June's New Growers Meeting was attended by 36 enthusiastic 'new and old' growers on Saturday 10th June. It was a very lively meeting with lots of questions asked by our newbies. As the old saying goes—don't be afraid to ask questions because there's probably someone sitting close by that would love to know the answer but are too shy to ask.

Zelda's talk was on 'Why aren't my orchids flowering' and there are a myriad of reasons for this dilemma. A copy of Zelda's presentation follows for those who couldn't attend, or can't remember all of the long list follows. Zelda supervised Barb and Vikki repotting a couple of Phalaenopsis with a number of observers getting a close look and Teresa brought along a Vanda with 3 growths which she divided and potted with the help of Christine who scored a new plant for her efforts. Thank you ladies.

Congratulations to two of our new members who benched their plants for judging, Suzy with her lovely white Dendrobium Unknown and Barb with her *R/c.* Burdekin Storm 'Midnight'. You've both arrived on the points scoreboard for 2023-2024. Bev Birt took out the 'The Finger' for the meeting with her lovely pink splashed Cattleya Unknown. Well done Bev! Some members purchased a number of the Dendrobiums that the Society had on offer at very reasonable prices, so we all look forward to seeing them on the benches around May next year when a lot of the 'hardcanes' should be flowering. 7 orchids on offer as raffle prizes were well received by the winners, after which afternoon tea followed. Thank you to all those who brought a plate to share. We look forward to seeing you all on the 8th July at our next New Growers meeting.

A ROADMAP FOR NEW GROWERS

You've joined the Bribie Island Orchid Society and **have an orchid in flower**.

What should you do?

Firstly, remember that you must have owned your plants for at least 6 months before you are able to bench them for judging. If you have recently acquired a plant and it is flowering, you may bench it with a sign 'Not to be judged - Display only'. Please bring your flowering plants along to the New Growers Meeting held on the second Saturday of the month, and the Cultural Meeting on the fourth Tuesday of the month. If you have a mishap on the way and damage/lose a flower, just pop it in the pot—it can still be judged.

You will then need to complete a blue slip with the name of your plant on the front (if you don't know the name, just put 'Unknown') and add your name and Pot/Member number on the back. The blue slip should be displayed on a wire in your pot with the name of the plant showing. Please ask another member where you can find the tags and wires

At Cultural Meetings only—enter The Orchid House and sign the attendance book at the front counter. When signed in proceed with your plant to the rear of the hall on the left hand side and from the pegboard select the tag with your 'Pot/Member Number' and drop it in the cake tin on the table where the President, Secretary and Treasurer sit for the meeting. During the meeting one of those tags will be drawn from the tin and the owner of that tag will receive a \$5 voucher to spend with Paul Firth at our Cultural Supplies corner.

Then proceed to the tables on the right hand side of the hall where you will find signs designating the various genera eg Novice Cattleya, Novice Dendrobium, etc and deposit your plant. If you don't know which section fits, any of our friendly members will be happy to help.

B I O S run 2 competitions each year for New Growers, apart from our two shows at Easter and then in Spring. The first competition is run at the New Growers Meetings and Cultural Meetings where points are allocated – 3 for 1st, 2 for 2nd and 1 for 3rd. The Judge's Choice at this meeting not only wins points but also 'The Finger' (a small wooden trophy shaped like Bribie Island), which the grower gets to hold for the next month, and a plant. These points are accumulated from 1st May to 30th April each year with the winner/s announced at our AGM/Cultural Meeting at the end of June. The Novice with the most points in a year will be Novice Champion and will win a Trophy and a cash amount.

The other competition is run for New Growers who bench their plants at the monthly Cultural Meetings. In addition to points and 'The Finger', the Judges Choice plant is also photographed and these photos are judged at the end of the year and the winning grower/s presented with the Merv Anderson Award for the best New Grower plant.

There will be a new special award for the most successful New Grower (restricted to Bribie Island Orchid Society Members only) at our Spring Show in October 2023.

This Award will be sponsored by Rob & Linda Trost from RoLin Orchids and will be a \$100 voucher to purchase plants from their nursery at Elimbah with Rob indicating this voucher should buy you around 8 nice plants.

NB Foliage plants are judged at monthly Cultural Meetings only, and there is no separate section for New Growers. Foliage plants are benched on the tables to the right as you enter The Orchid House, with categories of Bromeliads, Tillandsias, Anthuriums, Ferns, Other Foliage and Foliage with Flowers.

During the Cultural meeting, the President will call for members to select their choice of their favourite orchid and foliage plant, and record those plant numbers on slips of paper which are then deposited into the appropriate containers at the management table. The votes are then counted and \$5 Cultural Corner vouchers are presented to the growers of **the 'People's Choice' Orchid and Foliage plant**. New Growers plants are known to have been winners of these categories in the past.

New Growers, don't be shy! Bring your plants along to be benched. We'd love to see what you are growing!

Why orchids do not bloom

Weather – sudden rise or fall in temperature will cause buds to die especially when they are about 10mm. too much rain will rot/damage buds.

Potting – repotting when new leads are past the half way growth stage will often result in no blooms on that lead.

Position – not enough light. Orchidhouse should be 50-70% shade cloth with plenty of air movement.

Pests – mealy bugs, dendrobium beetles, snails etc damage buds causing them to die. Other pests are yourself...breaking off buds when staking leads/buds.

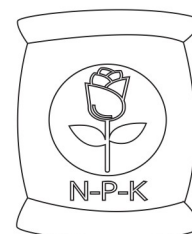

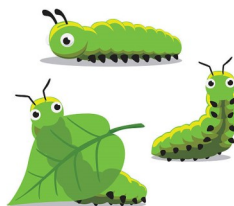

Sheaths – sheaths open at the top will fill up with water and buds will rot. Use thumbnail to insert small slot at base of sheath to release water. Paper sheaths should be left alone as some will contain buds. They can take up to 12 mths to develop. Cattleyas without sheaths can fill with water and buds will drown.

Fertiliser – too much will result in too much growth and no blooms. Use Searles 'bloomer' or 'booster' depending on growth period.

Watering – too much will rot roots and new leads resulting in a plant that is too stressed to produce blooms. Some genera require a dry period in winter to allow buds to develop e.g. dendrobiums.

I am often asked this question and have put together a list of factors that result in bud loss. As you can see everything we do can result in bud loss. You need all these things to come together to get beautiful blooms. It also proves that 'too much' of anything is not good for plants either.

June Birthday Lunch

After a change of venue, June's Birthday Lunch was held at the Solander Lakes Bowls Club at Banksia Beach. A group of 19 gathered including three of our new members. We hope you enjoyed the food and company. This venue's Chinese fare is always popular with some ordering take-away for friends and family.

Our 'social butterfly' Liz was the only Birthday belle present, and she even provided a scrumptious chocolate cake for dessert. Thanks Liz, your organizational skills are much appreciated. As usual, Diane was busy taking photos, thanks Di.

At present the venue for July's Birthday lunch is the Bribie Island RSL Social area with this to be confirmed closer to the date which is Tuesday 18th July. Look forward to seeing you all.

June 2023 Update

Welcome to the Orchidfest 2023 June update. I hope everyone is getting excited about this event. I am happy to report that preparations are still going smoothly and our sub-committees are hard at work. Registrations for the Conference and dinner are really starting to coming in now, but I can't stress enough that if you are still thinking about attending this event and haven't yet registered then don't leave it too late. However, as we still have a few places left and we want to make it as affordable as possible, **we have extended the 'earlybird' registration price until July 31st**. Please commit as soon as possible.
If you have registered, but have not received a confirmation that you have registered, please contact Terri Bade (Ph 0487 353 740) asap so that we can rectify the situation.

The Guest Speakers that have confirmed their attendance are:

- Richard Bracken – speaking on Terete Dendrobiums
- Bill McNaught – speaking on Tolumnias
- Max Rawlings – speaking on Phalaenopsis
- Paul Russell – speaking on using orchids as feature plants in landscaping
- Robert Anderson – speaking on Catasetum alliance
- John Robertson – speaking on Paphiopedilums
- Sam Cowie – 2 talks, speaking on Tropical Cymbidiums and on Oncidium alliance
- Rick Emmerson – speaking on Vandaceous orchids

There is still one speaker to confirm their topic so we will include them in the next update in August.

The full Conference program and the Show Schedule are now on the website. All details can be found at www.herveybayorchidsociety.com/stocq-orchidfest-2023.html

Any AOC accredited Judge is welcome to judge at the show and have the Thursday evening meal, even if not registered for the Conference, but please let us know if you are coming.

The vendors at the show will be

- MnS Orchids from Sarina
- Alice's Orchids from Townsville
- Orchid Mania from Gympie
- Kingfisher Orchid Nursery from near Ipswich
- Pacific Beach Orchid Nursery from Welcome Creek near Bundaberg
- Paradise Orchids from Hervey Bay
- Darryl Banks from Montville
- Robertson Orchids from Woombye
- Orchidaceous Supplies from Maryborough
- Paul Smith from Ipswich
- the Hervey Bay Bromeliad Society

As well as the Hervey Bay Orchid Society member sales

Remember that it is a great opportunity to see the local attractions on the "free day" on Saturday 23rd so make the most of that and book early. Information on Whale Watch tours is available. It is important to book soon.

Then there is the Dinner on Saturday evening to look forward to. It is not too late to book for that if you want to. It is open to Conference Registrants, **partners and also to non-registrants who would like to attend at \$45 each.**

The organizing committee is enthusiastic and excited about putting on a memorable event for your enjoyment and edification, so come and join us. We look forward to seeing you there.

JUNE 2023 CULTURAL MEETING

Following completion of the Annual General Meeting, there was a short break for member to purchase their cultural supplies from Paul, along with some Dendrobium plants and raffle tickets before the start of the June Cultural Meeting.

After formalities were concluded Zelda welcomed Jan Robinson, an Australian Orchid Council judge from Sydney, who was spending some time on the Island and came along to see how judging is carried out at different societies. As we were one judge short with Tony having a prior appointment, Jan was quickly put to work judging the Cattleya Classes as both Zelda and Martin Gunther had plants entered. Thank you Jan, we trust you enjoyed your visit. Zelda and Martin shared the judging of the remaining classes.

Trish Stevenson completed our judging panel for the day judging the many foliage plants benched. Trish remarked that it was pleasing to see so many plants benched and a couple of new names in the results. Thank you Judges and thank you to members who benched plants. Our New Grower Rainie Daniels took out 'The Finger' for her Ctt. Adolph Hecker X Lc. Angel Heart and 2nd place with her White Cattleya Unknown. Well done!

Time precluded us from having a guest speaker, with our speaker at the July Cultural Meeting on Tuesday 25th July TBA. Members availed themselves of the opportunity to purchase some Dendrobiums a very reasonable prices, the raffle was drawn and the afternoon concluded with a cuppa and 'low-cal' goodies!

**Many Happy Returns to our only member
celebrating their Birthday in July**

Sue Harrison 24 July

Is your name and Birth date in our Birthday Book? If you're shy, your year of birth is not necessary, just the day and month!

Email Liz—kundecrew@bigpond.com or text her at 0407 388 771 to have your name and birthday registered if you're not already in the book.

We Look forward to seeing you all at lunch to celebrate coming Birthdays.

BIOS Birthday Lunches

Our monthly Birthday lunches are usually held on the third Tuesday of each month at 12 noon various locations around the Island and surrounds. They are a great way to get to know other members of the Society. Everyone pays for their own meal/drinks so the choice is yours whether it be a low cost outing or something a bit more up-market.

Website Our new website address is www.bribieislandorchidsociety.com.au

FACEBOOK

Members are reminded that our Society has a Facebook page. Just type in Bribie Island Orchid Society in the Facebook search field and the group page will appear. In the section headed Groups ask to join. Our administrator will then accept your request. Our Facebook page is attracting a large number of views and comments from both within the Society and outside and it is interesting to note that some of our new members found us on Facebook. Many thanks go to Teresa Watson and Sue Harrison for their contribution to this platform.

Suggestions for our monthly Bulletin

If you have any suggestions for our monthly bulletins or would like more information on any particular subjects, please don't hesitate to contact our editor **Sandy Jensen on 3408 3317 or email sandyjens@bigpond.com** and we will do our best to accommodate your requests.

Cultural Meeting

Cultural Meeting is normally held on the Fourth Tuesday of the month at The Orchid House, 156A First Avenue, Bribie Island. Meeting times are arrival 1.00 pm for start at 1.30 pm. Plants must be benched by 1.15 pm when judging will commence. Members may now bring a plate of food to share for afternoon tea however please note all food will be served, along with tea and coffee, by appointed Society members due to COVID-19 restrictions.

New Growers' Meeting

The New Growers' Meeting is normally held on the Second Saturday of the month. These meetings are held at The Orchid House, arrival time 1.00 pm for start at 1.30 pm. Plants must be benched by 1.15 pm when judging will commence. Members may now bring a plate of food to share for afternoon tea however please note all food will be served, along with tea and coffee, by appointed Society members due to COVID-19 restrictions.

CLUB BADGES AND/OR SHIRTS To order your Club polo shirt and/or name badge, see our friendly Treasurer. The costs are Polos \$ 35 each and Name badges \$15. Wearing a Club shirt and name badge readily identifies Bribie Island Orchid Society members to the public who patronize our Shows and name badges come in handy at our meetings/functions when we sometimes experience a 'Senior's moment or two'. **Be proud to stand out in the crowd!**
